Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image processing apparatus comprising a printer which prints an image on a recording medium based on input data; an accommodating unit for accommodating preloaded recording material; a manual feeding unit for feeding the recording material and a controller which controls a memory so as to hold the image data after completion of a printing operation in a case where the printer prints the image onto the recording medium fed by the manual feeding unit as claimed in claim 32. Similar features are claimed in claims 34, 35, 36, 41, and 42. Therefore, claims 34, 35, 36, 41, and 42 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark E. Wallerson whose telephone number is (703) 305-8581. The examiner can normally be reached on Monday-Friday - 6:30-4:00.
